CATALOGUE NUMBER THREE

Announcement to the Trade

SUPPLEMENTING our previous announcements in catalogues number one and two; we take pleasure in submitting for your kind consideration, our efforts in our latest original designed Showers, Socket Covers, Canopies and all other shells, necessary to the building of modern lighting fixtures.

We particularly direct your attention to our Body sets which conform in design with the Showers. A complete line which enables the manufacturer to make up classy modern fixtures for the most particular trade.

Also our Square Shells and wide variety of fittings gives our patrons and public at large the opportunity of selecting the most desirable class of merchandise on the market. At the same time do not overlook the products we manufacture, listed in catalogue number one and two.

Thanking you for your kind support in the past, and soliciting a continuance of same, we are,

Respectfully yours,

THE STANDARD METAL SPINNING CO.
